**RE: A1 WINDSCREENS**

To whom it may concern,

In my capacity as Victorian Workshop Manager with Toyota Material Handling Pty Ltd, I have had, both personally and via my Workshop Supervisors, a close working relationship with Darren and the team at A1 Windscreens.

At all times, Darren and his staff have displayed an exceptional commitment to customer service and satisfaction. Their prompt attention and consideration to our needs has provided us with the ability to rely on them totally, often at very short notice, to solve any supply and technical demands we may present.

The quality of their work and products supplied to us has, without exception, been of the highest order. I would have no hesitation in recommending their services to any potential clients.

Kind regards,

Tony Brandon
